

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16577 of William T. Birney, pursuant to 11 DCMR 3103.2 for a variance under Section 405 from the side yard requirements and from Subsection 2101.1 for a variance from the off-street parking requirements to allow the conversion of an existing garage into living space in an R-1-B District at premises 3345 Runnymede Place, N.W. (Square 2008, Lot 27).¹

HEARING DATE: June 7, 2000

DECISION DATE: June 7, 2000 (Bench Decision)

SUMMARY ORDER

This application is accompanied by a memorandum from the Zoning Administrator certifying the required relief.

The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 2F and to owners of property within 200 feet of the site.

The site of this application is located within the jurisdiction of ANC 3G. ANC 3G, which is automatically a party to this application, submitted a written statement in support of the application.

As directed by 11 DCMR 3119.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for variances from the strict application of the requirements of 11 DCMR Section 405 and Subsection 2101.1.

The Board considered this application under two motions. On the first motion requesting parking relief, the Board ruled that it did not believe that a variance from the off-street parking requirements was necessary and that conversion of the existing garage is acceptable. The Board further stated that the off-street parking can be accomplished by a parking pad open to the elements in the rear of the yard and that it was not an issue that needed to be before the Board. The Board voted to **DENY** the request for parking relief under Subsection 2101.1.

On the second motion, requesting relief from the side yard requirements under Subsection 405.9, the Board voted to amend the application from a side yard variance to a special exception, pursuant to 11 DCMR 3104.1, under Section 223. The Board voted to **GRANT** the application as amended.

¹ The Board determined to amend the application for a side yard variance under Section 405.9, to a special exception pursuant to 11 DCMR 3104.1, Section 223.

No person or entity appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR 3104.1 for a special exception under Section 223 (amended), which will be in harmony with the general purpose and intent of the Zoning Regulations and Zoning Maps and will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Zoning Maps. The Board further concludes that the Applicant has not met the burden of proof pursuant to 11 DCMR 3103.2, under Subsection 2101.1 for a variance from off-street parking and that there does not exist an exceptional or extraordinary situation or condition related to the property which creates an undue hardship for the owner in complying with the Zoning Regulations, and that the requested relief cannot be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. It is therefore **ORDERED** that the amended application for a special exception be **GRANTED** and the application for a variance from off-street parking be **DENIED**.

Pursuant to 11 DCMR 3101.6, the Board has determined to waive the requirement of 11 DCMR 3125.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 4-0 (Robert Sockwell, Anthony Hood, Anne Renshaw and Rodney to approve the amended application for a special exception for the requested addition).

VOTE: 4-0 (Robert Sockwell, Anne Renshaw, Rodney Moulden and Anthony Hood to deny the variance from the off-street parking requirement).
